A photograph of two young girls, one with dark hair and one with blonde hair, both wearing white t-shirts and blue jeans, kneeling in a grassy field. They are planting a small tree sapling. The girl on the right is holding the sapling, while the girl on the left is using a small shovel to dig the soil. The background shows a blurred landscape with a body of water and trees under a bright sky. The text is overlaid on the left side of the image.
